Automation

- PLC & DCS
- S7 PLCs
- ET200 Distributed PLC Control
- PCS7 DCS
- LOGO! Programmable Relays
- Motion Control
- PC Based Control
- Redundant PLCs
- Safety PLCs

Motion Control Drives & Motors

- High Performance Motion Control
- General Performance Drives
- Sensorless Vector Drives
- Pump and Fan Drives
- Basic Drives - V/Hz
- DC Drives
- AC Servo Motors
- DC Servo Motors
- Induction Motors
- DC Motors

Process Instrumentation

- Belt Scales & Weigh Feeders
- Flow Meters
- Level Detection
- Pressure Transmitters
- Temperature Transmitters

Human Machine Interface

- Touch Panels (3"-22" including MultiTouch)
- Push Button networks & Panels
- SCADA Systems
- Industrial Computers & Monitors
- Industrial Notebook Computers (toughbook)

Networking

- Industrial Cable & Connectors for Ethernet, Profibus & AS-Interface
- Copper, Fiber & Wireless comm.
- Industrial Ethernet Switches
- Security, VPN & Firewalls
- Network Monitoring, SNMP, OPC
- Wireless 5G & 802.11
- RFID & RT Locating Systems

Safety

- Safety PLCs & I/O
- Safety Networks (Ethernet, Profibus, AS-I)
- E-Stop Buttons
- Hinge & Interlock Switches
- Magnetic Switches
- Modular Safety Systems
- Rope Pull & Door Switches
- Safety Motor Starters
- Safety Relays
- Two Hand Control Stations

Controls

- Circuit Breakers
- Contactors / Overloads
- Limit Switches
- Monitoring Relays
- Motor Starter Protectors / Motor Circuit Protectors
- Motor Starters (IEC & NEMA)
- Power Supplies
- Push Buttons / Pilot Devices
- Signal Converters
- Interface Relays
- Soft Starters
- Solid State Relays & Contactors
- Terminal Blocks
- Timers / Counters
- Uninterruptible Power Supplies (UPS)

Distribution Equipment

- Power Meters
- Circuit Breakers
- Disconnect Switches
- Enclosed & Molded Case Circuit Breakers
- Load Centers
- MCCs (Motor Control Centers)
- Panel Boards & Switch Boards
- Power Monitors
- Safety Switches
- Standby Generators
- Transfer Switches
- Switchgear
- Transformers
- Busway
